“A certain man was preparing a great banquet...”

- Have you ever been “stood up” for something important? How did you feel?
- Background to the story:
 - social protocol
 - the setting
- How banquet invitations went out
- The excuses given in the story:
 - field
 - oxen
 - marriage
- The scandal of the new invitations
 - those from the streets and alleys
 - the roads and country lanes
 - the elite
- Isaiah 25:6-9... *notice the repetition of “ALL”*
- Jesus story – unfinished.... who writes the ending? How?
